EXAMINER

DAVIS, BRIAN J

ART UNIT	PAPER NUMBER
----------	--------------

1621

DATE MAILED: 07/15/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

Response to Amendment

The reply filed on 8/11/4 is not fully responsive to the prior Office Action (the miscellaneous Office Action with shorted time period of 12/16/05) because of the following omission(s) or matter(s): as stated previously, applicant has not defined a single species as the species elected to begin prosecution. See 37 CFR 1.111.

Applicant has, instead, again defined another set of species. Therefore, the examiner again respectfully requests that applicant define one elected species explicitly in terms of the variables of the formula which appears in claim 2.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian J. Davis whose telephone number is 571-272-0638. The examiner can normally be reached on 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Johann Richter can be reached on 571-272-0646. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 1621

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
